Fall Sports

SOMETHING FOR EVERYONE

Adventure Training

Adventure Training has had an excellent start as a crease at B.C.S., under the leadership of Messrs. Cruickshank, McGuigan and Ms. Tirk.

On the technical side of things (ropes course, equipment, etc.), the crease has made great progress. On the members' part, the crease has been a learning experience, difficult at some times, but beneficial always.

Adventure Training was divided into two groups, with Mr. Mc-Guigan instructing one, and Ms. Tirk the other; both under the general direction of Mr. Cruickshank.

They started off quite early, first with Emergency Care. The first weekend we did a Search and Rescue for Allison Garrett and Art Campbell. Throughout the first few weeks, the crease passed various Initiative Tests such as scaling a fourteen foot wall and performing Karabiner Walks.

After practising across a stream in the woods behind the school, the crease crossed a gorge in Stanstead County on a Tyrolean Traverse.

The weekend after the Traverse, both crews drove out to Brompton-ville on alternate days to face Cliff-Climbing and Rapelling.

On the third of October, A.T. left for the Long Trail and the Green Mountains in Vermont, to go backpacking. Both crews were to criss-cross Mt. Mansfield and meet at the top for lunch on Saturday. Needless to say, the trip was quite a success.

The next excursion started on October 17. Again both crews were to criss-cross, but this time they would meet for the night half-way through a thirty mile trek through Camel's Hump State Park and The Long Trail. It was not easy going due to the fact that on Friday and Saturday both crews averaged twelve miles. It was also snowing and at near freezing temperatures. Everyone was quite proud of themselves with what they had accomplished.

On October 24, Adventure Training went on it's final expedi-

tion, the personal Solos. Each member of the crease was supplied with a tent, a sleeping bag, as well as water, and was let off at various locations on Mr. Cruickshank's farm for the weekend, to be picked up again on Sunday.

The Adventure Training crease is to be offered again this Spring, and hopefully the turnout will be good. But remember, "No one said it was going to be easy!!"

SENIOR FOOTBALL

This year's season began with the game against Ashbury College School on September 20th. The offense displayed fantastic drive, chalking up twenty points, and the defense made their first of the season's three shutouts.

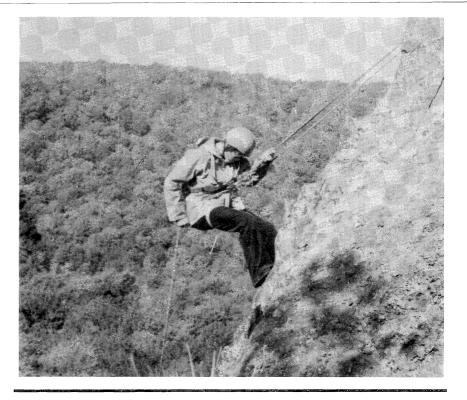

Our second game of the season was also an exhibition one, this time against Lower Canada College from Montreal. They were huge as compared to us, but size made no difference as we managed to stay quite close to them, losing only in the last three minutes. The final score was twenty-one to fifteen.

Our first game in league play was against Massey Vanier Regional High School. We managed to coast into victory alley, by a score of twenty-one to nothing.

We were now well into the season, and league action. It was now time to meet our arch rivals, Stanstead College School. The game was played on Saturday October 4th, at Stanstead. From a spectator's viewpoint, the game was marvellous to watch, with each team trading touchdowns, in the first half of play, until the last minute of play, when we moved together yet another scoring drive which led us on to victory. (28-21)

Our next match was against Alexander Galt Regional High School. It was a gloomy day, and again our opponents outweighed us by a considerable amount. We dug deep and chalked up another victory, this time by a score of thirty to thirteen.

Now came a break in the season, the Old Boys' Game. This year's

Old Boys' turnout was probably the best the school has seen for a long while. Conditioning was as usual a prime factor. By the end of the first half, the score was six to nothing in our favour. The Old Boys' began to tire, giving us the advantage. We began to run away with the game, and by the end, had rolled up a score of twentyone points. But, near the closing minutes of the game, we became over-confident and thus began to let up. They got two easy touchdowns due to slackness, but we managed to hang on and win by a score of twenty-one to fifteen.

On Saturday October 13th we played Massey Vanier Regional High School. Despite the rain and poor traction, we played one of our better games of the season, establishing an early running game with excellent blocking throughout. The score by the end of the game said it all: 29-0 in our favour.

On Saturday October 18th we suffered a painful loss to Stanstead College School. The game was played under miserable conditions because of constant rain causing poor traction etc. They were really up for the game and we just couldn't seem to get any sort of effective rush together. Well, we lost everything in that game by a score of twenty-six to fourteen. We had lost the trophy, because the total pointage of the two games was in their favour, and also a chance at clinch-

ing the league.

It was behind us now, and all we had left was our game against Alexander Galt Regional High School on October 25th. We had really worked hard that week, and were well prepared for the game. It showed. By the end of the game we had scored fifty points against them to their fourteen points against us. It was a nice way to finish the season, on a happy note, with a seven (wins) and two (losses) record.

BOYS SENIOR SOCCER

An outstanding season in all aspects for this year's squad. The team had a very respectable 10-4-2 won loss record. All good things came to an end as they lost in a heartbreaker in the Semi-finals 3-2. The season included a victory over Ashbury, and two each from L. C.C. and S.H.S.

FIRST FIELD HOCKEY TEAM

On October 4th BCS had its 4th Annual Field Hockey Tournament. We played against six other schools from the Townships Area and Montreal. E.C.S. (Mt.) RVR Seniors (Richelieu Valley), RV Juniors (Richelieu Valley), RRHS (Richmond), AGRHS (Lennoxville), MVRHS (Cowansville).

On October 19th the team was invited by RVR to play in a Tournament at St. Helen's Island. We won two games, we tied one and lost one.

SENIOR GIRLS SOCCER

Girls First Team Soccer had a most satisfactory season winning 7 games, losing 3 and tied 1.

The team participated in the A.G.R.H.S. invitational tournament and they also placed second in the E.T.I.A.C. league. Under the watchful eye of their coach, Mr. S. Bateman, they were soon able to work together as a good team. The Old Girls' game mixed their team up with veterans and ones that left us last year. But, to their dismay, the girls first team was victorious with a "not so easy" 2-0 win.

THE ANNUAL **CROSS COUNTRY RACE**

One of the long-standing traditions at B.C.S. is the annual Cross-Country race. But this year tradition has been broken slightly in that there is a new course set out for the race, by Mr. Perrier. The course is approximately 6000 metres in length and is run totally on the B.C.S. campus.

The conditions on the day of the race were cloudy and wet, and the new courses were ready. In the Senior Boys' race, Paul Tinari won, followed by Richard Vaughan and Allard Keeley. Chapman House walked away with the Senior House Shield for its efforts.

In the Senior Girls' race, Heidi Hunting broke the tape ahead of Jenny Campbell and Susan Ash. This year the Senior Girls' House Shield went to Gillard House.

At the Junior level, Roger Théberge won the Boys' and Jane Roots the Girls' races. Jill Badger and Sue Hibbard came in second and third, while George Ho and Leslie Price followed in the boys' category.

ACTIVITIES

The Activities Committee consists of eleven students with lots of new ideas for fun Saturday nights.

The year started off with an exciting Scavenger Hunt, where the students had to find things like a worm and the number of houses on Atto Street. There were five groups, with Derek Sewell's group winning the grand prize.

Bingo Night was also exciting drawing 147 kids of all ages. Even Mr. Owen came! A variety of prizes, Jerry's Pizzas, pop-tarts, and candies kept everyone excited, especially with a \$10.00 grand prize won by Nancy Caron.

Grub Day enabled all students to wear casual dress to classes, if they paid 50 cents towards U.N.I. C.E.F. A total of \$154.00 was collected and donated to the fund.

Movies have been a big attraction this term, featuring "Patton" and "The Marx Brothers at the

Coffee Houses have been arranged with everyone dancing their worries away.

To conclude the first half term, the Prefects had a Masquerade Ball in the dining hall. Costumes of all kinds appeared, and the teachers inched their way in as a caterpillar.

An endless number of new activities have been arranged for next term and should prove to be equally as exciting.

CADETS: OVERHAUL

Our Cadet administration has been almost completely changed with the departure of Major Abbott as Commanding Officer of the Cadet Corps.

Mr. Cruickshank is acting Commanding Officer until Christmas, at which time the honors will be turned to a Mr. Turner, an experienced military man coming to us from the British Isles.

Mr. MacFarlane is the new Training Officer with several members of the regular teaching staff working for him in the instruction of such activities as Map and Compass Reading, Royal Life Saving, range and Field Crafts.

The secretary for the Administration Committee is Mrs. Bennett, a helpful addition to the Athletic Department as well as to the Cadet Corps.

The Cadet Commanding Officer is Dacre Stoker, a six year veteran of the Corps who worked his way through the ranks to his present position.

Cathi Molson has stepped up to the honorable position of Captain, a rank never before held by a girl.

The Corps is off to a fine start. After only about six concentrated drill sessions we were able to send a better than average Honor Guard of about forty Cadets to the Black Watch Parade on October 26 in Montreal. Our performance was polished and the solid drill background was evident throughout.

This particular parade marked the first occasion that the girls have been represented in this annual event as part of our Corps, a performance for which they are to be highly commended.

WE NEED

ENCYCLOPAEDIA

We would like to have one set for each of our eight residences. If anyone would like to donate a new or second hand set to the School, please contact the Headmaster.

CHOIR

The choir began this year by welcoming into its midst an experienced and talented organist and choirmaster, Mr. G. Bevan. We resumed the same practice times as previous years, with the sopranos and altos on Monday nights, tenors and basses on Wednesday nights. The first few practices were conducted with a slight hesitancy of the choir and Mr. Bevan, in growing accustomed to the novelty of both group and leader pulling together as a consistant and hard-working team. This year the choir is well-balanced in singing parts with a particularity strong tenor section.

As always, the choir is an affair that is challenging and rewarding and requires an expression of selfdiscipline, and conscientiousness.

In the first few weeks of school, the choir has attempted to reinstate the Friday morning sessions in aiding the entire school in the instruction and singing of the hymns. This is performed to promote increased leadership and ability, to ensure that the congregation will participate in the singing parts of services in the chapel, with the choir as a forceful guide.

The choir sang for the first time in front of parents of the students as well as old boys of B.C.S., on Thanksgiving weekend and will commence preparation for the Carol Service after the November long weekend. We will once again sing at St. Peter's Church in Sherbrooke on December 14th, and plan a trip to Montreal at some point in the spring. On December the 7th, B.C.S. will welcome the University Singers to perform the Christmas portion of "Handel's Messiah" with Mr. Bevan playing the organ and Mrs. E. Detchon playing the harpsicord.

As Mr. Bevan so accurately commented, the choir has recently reached "the end of the beginning" and will work with continuing effort throughout the year of 1975/

PLAYERS CLUB: "GUYS AND DOLLS"

Last year's producer of the school play, Mr. Rod Lloyd, has decided to undertake yet another musical comedy for this year's production.

Described as "a musical fable of Broadway" "Guys and Dolls" is a vibrant, pulsating and human portrait of the world of Broadway, of big and little shot gamblers and Salvation Army proselytizers, of nightclub entertainers and a variety of jerks and eccentrics. Each routine, song, dance and every bit of humor is germane to the plot and succeeds in giving it additional depth.

The cast of 22 consists of several of the performers from last year's production of "Damn Yankees."

Sky Masterson (Derek Sewell) playing a clever tycoon gambler is eventually converted into a dedicated member of the Save A Soul mission, through the influence of Sarah Brown (Wendy MacDougall), a devout mission doll whose sole interest is helping needy sinners, much to Mr. Masterson's disapproval at first.

Nathan Detroit (Kevin Matson) the promoter of the oldest established permanent floating crap game in New York has to use his slyness to arrange crap games, but most important to pull the wool over Adelaide's eyes (Cathi Molson) to whom he has been engaged for fourteen years.

Some of the other intriguing characters are played by David Wold, Geff Scott, James Ross, Richard Vaughan, David Bonnett and Frances Thomson.

The 22 people of the cast are probably the only ones you will see. However, there are 40 others involved in set design, make up stage crew, and costumes, a department in which we are fortunate enough to have Mrs. McGregor in charge.

Mrs. Detchon has accepted to be musical director again after a year's rest from a "Funny Thing Happened on the Way to the Forum", our play presented two years ago.

"Guys and Dolls" will be performed on the evenings of March 5 and 6 at the Bishops University Centennial Theatre.

AGORA/U.N.

Agora, the traditional debating club of B.C.S., has undergone two major changes. It has divided into two separate clubs — Agora (debating) and the United Nations Club (public speaking and seminars) — losing Mr. McFarlane to the latter. Mr. St-Jacques has taken over the old Agora stomping ground.

The reward is to cater to the needs of these very different arts.

By combining debating and public speaking under **Agora**, there existed a danger of assimilation. Two separate clubs will allow extra time to deal with the specifics of both structured argumentation and formal oratory. Also, two clubs will lay less stress on the management, in that both staff and students mat devote more time to the art of their choice, without the other encroaching on their time.

Agora and the U.N. have seen some challenge during these past few months in interschool debates, the Appleby tournament, and the planning of future U.N. seminars. Michael Austin triumphed in several Rotary oratory contests, until his defeat in Montreal at the end of summer vacation. The main events are still upcoming. Agora will participate in the McGill Debating Tournament, and the Quebec Provincials (hopefully continuing on to victory in the Canadian Nationals), plus innumerable interschool competitions. The U.N. club will hold a seminar on November 28th which will exhibit many forms of public speaking, including news broadcasting, poetry readings, and dramatic presentations, and will attend the Plymouth Model U.N. Seminar in the spring, the Canton Seminar in New York, as well as the familiar Optimist and Rotary public speaking contests.

It is sad to see Agora divided, but hopefully both arts will benefit greatly from the partition.

<u>Update</u>

GRIER HOUSE DIVIDED

The once famous Grier House, known for its great competitiveness against other houses, has now disappeared for good. In June of 1975 work began to divide the house in two and by the beginning of the 75-76 school year two separate houses emerged known as Grier North and Grier South. The masters in charge of Grier North are Mr. McFarlane, Mr. Lewis and Mr. Trower, and in charge of Grier South are Mr. McCaffery, Mr. Goodwin, and Mr. St-Jacques. There are about three seniors in each house, who will represent one of the other houses on campus in competitions. The rest of the two houses are filled with Juniors who will have inter house competition. The capacity of each house is about twenty-six, which brings up the reason why it was divided. Before it was divided there were three housemasters and more than fifty students. It made it extremely hard for the masters as well as the students. We're sure with the division it will better the relationship between the students and masters of the two houses.

NEW ATHLETIC DIRECTOR

Major S. F. Abbott, after countless years as head of B.C.S.'s athletic department has retired. This year Mr. Cliff Goodwin takes over as director of athletics.

In the past Mr. Goodwin has coached numerous hockey, football, and track and field creases, all during the same year, but this year he will continue to coach First Team Hockey only, with Mr. D. Campbell as his assistant.

In his 7 years at B.C.S. he has been assistant housemaster in School House, McNaughton House and now in Grier House South. We wish him luck in his new job.

Mr. Goodwin will be ably assisted by his new secretary, Mrs. Bennett, who has been associated with sports in the Eastern Townships for a long time.

New Teachers

MR. P. G. BRASS

This year Mr. Peter Brass shifted his residence from Winnipeg, Manitoba to McNaughton House, B.C.S. and in doing so, switched from jeans and T-shirts to a suit and tie.

He attended the University of Manitoba from 1969-72 where he majored in History, his minor was Political Science, and he received a graduate degree in History. The following year, he worked as an Assistant Operations Manager for Allied Van Lines, and then returned to the University of Manitoba to serve as an assistant History teacher for two more years.

This is his first year teaching high-school students Political Science, History, and Geography, and he is a popular and friendly duty master in McNaughton House. He also took great pride in coaching "THE MIGHTIES", the intramural Bantam football team in the first term.

His main interest is reading and he is often seen driving a flashy yellow Fiat on and off campus.

MRS. SAKAMOTO

Mrs. Sakamoto left Ontario this year to teach math at Bishop's College School. A graduate from Lakehead University, she spent three years teaching at a collegiate high school in Thunder Bay. Living in Sherbrooke now, she manages to send her two boys off to school, and still make it in time for chapel. Mrs. Sakamoto is enjoying the change from public school to boarding school and plans to have an exciting year. Next term she will be helping Ms. Dumas coach the Bantam girls volleyball and we wish them both the best of luck. Mrs. Sakamoto also plans hopefully in the near future that she will be able to understand the Quebec School Board System!

MR. BEVAN

Mr. Gwilym Bevan comes to us this year from the Laurentian Regional. We are very fortunate in having him for he is a renowned musician. He held important organist positions in Kitchener, London, and Brockville and was awarded the Royal College of organists' diploma for choir-master, the first one by examination in Canada. He also holds Fellowship, Licentiate, and Associate Organ Diplomas.

Mr. Bevan was born in Wales and he came to Canada in 1956 where music first became his profession. He graduated from the Faculty of Education at McGill, and he last visited England in 1969 where he went on an organ recital tour. He played at Kings College, Cambridge and St. Margarets, Westminster. Mr. Bevan has taken charge of the choir, and also teaches second and third form music and history. He is a former rugby player, and we hope he'll share his skills with us in the spring.

MR. GRANT LEWIS

Mr. Grant Lewis joined the school teaching staff this year, residing in the basement of Grier North. With his continuous smile, he is constantly ready to lend a hand. Mr. Lewis started the year as a victorious coach of the Bantam Boys Soccer Team. After having spent his past seven years at Trinity College junior school, teaching grades seven, eight, and nine, he was more than ready to take on the challenge of teaching our entire second form. He came to B.C.S. with a love for three hundred and fifteen elephants, which has now been swayed for Bish.

MR. TROWER

Mr. Trower came to us from the Gaspé where he taught art for seven years. During his collegiate days he achieved a B.A. at S.G.W. U. and later his B.Ed. at U.N.B. He is presently living in Mr. Halliday's old house, where he is building a kiln. He is also still selling pottery professionally in the Gaspé. We hope Mr. Trower's artistic touch will help us with our studies.

"WHERE ARE THEY AND WHAT ARE THEY DOING?"

The report that follows attempts to tell where some of our graduates of recent years are and what they are doing. As you can see, it is very incomplete; most of the information was obtained at the Old-Boys/Girls weekend in October. You, as an Old Boy or Old Girl, can help me add to this list. If your name is not included (or the name of a friend that you know of) PLEASE DROP ME A POST-CARD AND TELL ME WHAT YOU ARE DOING.
